Suffivan is dead, but the other two men are very much alive.

"Nearly all famous English righters have been great walkers," continued Dun. "A British hexer who does not hit the road for a ten mile walk when in training is looked upon as a quitter and a man who will not stand the gaff. Birly Gale, former long distance walker of England, at times was a trainer of boxers in England, and made them all go the limit with him every morning

"Another thing that I would advise hexers to do is to train in the open," added Dan. "The other day in Chicago I was in a gymnuchim where a noted fighter was at work, and the place was so filled with snoke that I had to take a walk to Milwauker to get my lungs filled with fresh air."

I never expected to be well any more. At last I wrate to Dr. Pierce and he advised me to take Dr. Pierce's Favorite Prescription, Golden Medical Discovery and Pleasant Pellets (sold by druggists) and now I can truthfully say I am in better health than I have been for several years.
